

Law & Order: Fairy Tale Unit

Author-approved changes for a smaller cast

This document was assembled for those groups looking to produce *Law & Order: Fairy Tale Unit* with a smaller cast than the 25 currently indicated in the script. It should be possible to produce the play with a minimum of 12 performers who play multiple roles. In order to minimize the scenes that currently call for more than 12 characters, follow these steps:

- Cut the entire jury selection scene.
- Make the following changes to the final courtroom scene:
 - Replace THREE BAILIFFS GRUFF with GINGERBREAD BAILIFF.
 - Change the following on pg. 44:

STILTSKIN. Ladies and gentlemen of the jury... who are sitting way over there... As you have heard [*continued*]
 - Cut all lines, references, and appearances of the MUFFIN MAN and COURT REPORTER SPRAT.
